

VIRAJ
THAMBUGALA
MACHINE MANUFACTURER

ABOUT ME

I am a qualified machine tool manufacturer with 25 years of experience in the field of machine tools. Having completed theoretical and practical training as well as industrial training professionally, I would like to introduce myself as one of the largest machine manufacturers in the industrial sector in Sri Lanka. I run my company under the name Dushantha Engineering (pvt) LTD and am engaged in the design and production of machines and introducing new products.
